Montessori House for Children

Being a part of the Montessori House community becomes to feel like a family. As the team came together for the Tree Lighting event at La Centerra, they were overjoyed at the response from the community and from all of the visiting families

to their booth. Thank you families for your continuous involvement! Our school looks forward to more opportunities to educate the area on such a precious philosophy.

Starting this December, each classroom will send out individual newsletters! Be checking your inbox for special news every month about your child's classroom. The Early Childhood and Toddler newsletters will give families possible insight on special areas of focus, celebrations, individual and classroom achievements, as well as important up-coming dates.

Happy Holidays!

Calling all Moms! Be apart of something special! MHFC mothers have started a special caroling tradition called "Singing Moms." Bring your best voice to sing for your children and later to the DePelchin Children's Home. A rehearsal will be held December 8th following the Parent Coffee. Friday December 9th, it will be time to sing at 10:30AM!

Parent Coffee is a great way to kick start the day with MHFC and fellow parents. Come join us @8:45 for coffee and breakfast pastries in Lobby :)
