Montessori House for Children

MHFC has the most wonderful Care Committee! Since 2006, generous and committed parents have come together to care for other families in need. Whether it's sickness, a hospital stay or a new birth in the family, The Care Committee brings forth the most humbling response. Montessori House and our fellow families are grateful for these parents who give their time and love!

K- 1st Parent Workshop, January 28th

Come attend this workshop to learn more about Kindergarten and First Grade at MHFC. Journey through the Kindergarten and First Grade curriculum materials and mingle with past Kindergarten alumni parents over a light lunch.

January Dates:

- 4: All students return
- 12: Parent coffee @8:45AM
- 12: Book Club Meets @6PM
- 16: Martin Luther King Day, Montessori Holiday
- 23: Beginning of Chinese New Year
- 27: Early Release
- 28: 'K- 1st' Parent Workshop 9AM

Do you live in the **Firethorn Subdivision** in Katy??

A request for car-pooling has been made for this area. We encourage all families to take advantage of car-pool opportunities to help reduce effects on the environment and to share in community building.

Contact Myriam if you are interested. Just west of Katy Mills Mall.

WE ♥ OUR VOLUNTEERS

See how you can volunteer today!

Fundraising for this fall has left many fond memories with the staff and children. From donations, the Fall Festival and the classroom parties, **\$4,881** was grossed. Intentions for this fund include training opportunities for teachers and new material for the classroom. Thank you is hardly enough for the hard-working volunteers, our enthusiastic children and supportive parents who made this possible!!

Don't forget about the website!

New Extra-Curricular!!

- **Tupper Martial Arts** is coming to our school to teach Karate! Classes on Friday Afternoons, starting January 13th. Class will be from 4:15– 5PM and only \$70 per month. Interested in enrolling email Anthony Tupper at tuppermartialarts@yahoo.com
- Kinderdance will be coming Thursdays at 2:45 pending an enrollment of 7 students. Please visit www.kinderdancekids.com for enrollment.
- We are excited to bring to our school the **American Robotics Academy** during Spring Break Week! This extra-curricular activity is for boys and girls of all ages. Students will learn to build robots and crazy action contraptions using motors, gears, pulleys and principals of mechanics to make it all work. Registration is available directly through American Robotics at www.RoboticsAcademy.com

Current Extra-Curricular:

Building Brains Lego Class

OPUS 1 (music) with Mr. Ed

Art Class with Mrs. Alma and Miss Bella

Sign up for new semester!

“Nature and Discovery” with Mrs. Angela is proving to be a favorite as each classroom has time to care for living plants and animals indoors and out.

Parent Coffee is a great way to kick start the day with MHFC and fellow parents. Come join us Thursday, Jan 12th @8:45 for coffee and breakfast pastries in Lobby :)

Book Club meets same day @6PM. Come discuss “Getting it Right with Children” with other parents!
